School

1973

The class of 1973 of the Roslindale High School is the recipient of commendation, congratulations, and our warmest best wishes.

You have worked and cooperated to implement the philosophy, policies and practices of our Roslindale High School; and you have accepted the responsibilities and sacrifices involved. We are proud of your achievements; and we have been inspired and guided by the sensitivity and high idealism you have shown in our hours of mutual sorrow.

May the members of the Class of 1973 have the strength, the perseverance, and the ability to give abundantly of their youth, their services, their potentialities, in the militant struggle against intolerance and evil, and to render reciprocal service to family, community, and country.

In the words of John W. Gardner, "We have in the tradition of this nation a well-tested framework of values: justice, liberty, equality of opportunity, the worth and dignity of the individual, brotherhood, individual responsibility. These are all supremely compatible with social renewal. Our problem is not to find better values but to be faithful to those we profess."

With every good wish for the future,

Helen M. Moran

RHS Class of

*President:* The job of our President, Frank Scarpaci, was truly difficult and time consuming. Frank's duties included presiding over the Senior Advisory Council and being responsible for the organization of all senior activities. Frank was the official spokesman for our class.

*Vice-President:* Anna Benenato was our very *spirited* V.P. She assisted Frank in all our Senior Class activities. Anna's major responsibility was for the organization of Class Day.

*Secretary:* Our most efficient Secretary was Gale Attaya. Gale was kept quite busy recording the minutes of all Senior Advisory Council meetings and publishing the class newsletters. She was responsible for all Senior Class correspondence.

*Treasurer:* "Trustworthy" is the word to describe our Treasurer, Nadija Kawczak. She was the keeper of our class funds, and of records of all income. Nadija authorized all expenditures for class activities.

Thank you, Frank, Anna, Gale, and Nadija, for an excellent job, and for helping to make our Senior Year a successful and memorable one.

# IN MEMORIAM

MARK W. BOLANES

## Warm Memories—Cold Hearts

It was a cold, brutal winter,  
From October, right through;  
Our hearts were so cold,  
There was nothing we could do.

We cried in the wind,  
The tears iced on each cheek;  
We know it was fate,  
But the memories are so bleak.

You know as well as I  
What happened that year,  
Oh, why did *they* die?  
Our eyes still do tear.

The snows of the winter  
Could not ice up our minds,  
As we remember the three  
Memories locked in our minds.

# IN MEMORIAM

KAREN F. FLANNERY

For Tony, October,  
For Karen, November.  
The winter got colder;  
It was Mark in December.

Our memories together  
Are now just a thought.  
Oh, why did it happen?  
Oh, why were *they* sought?

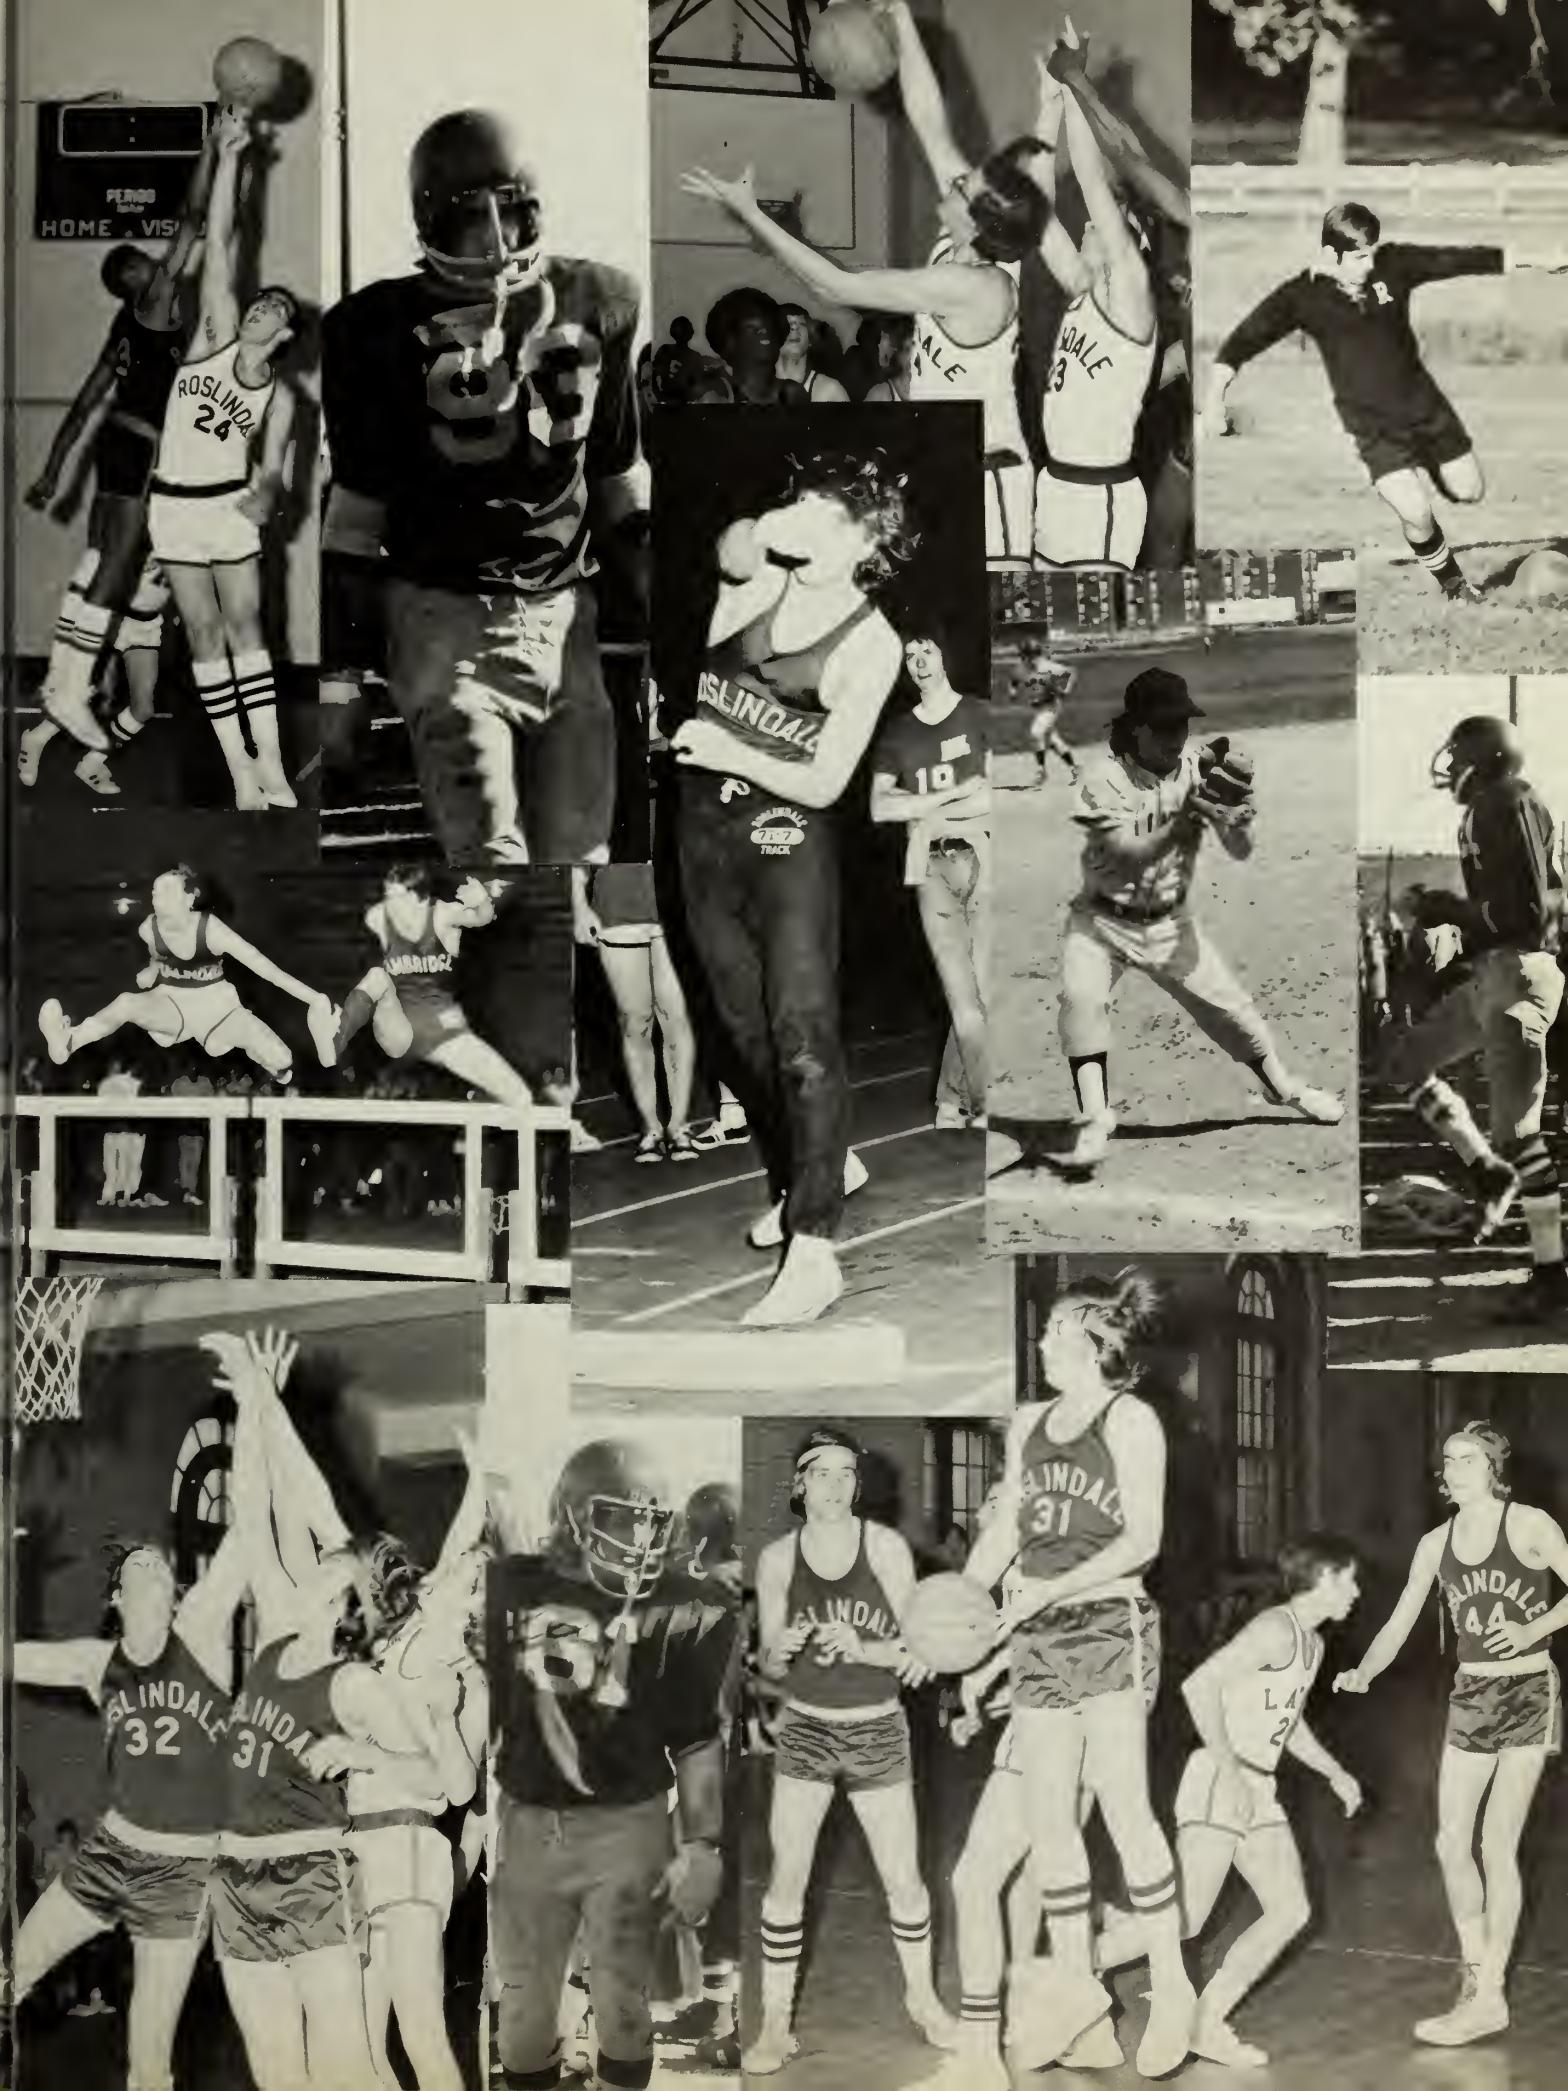

Let the sun arise,  
And dry up each tear:  
As we'll never forget  
The three we loved so dear.

Carl Kosky

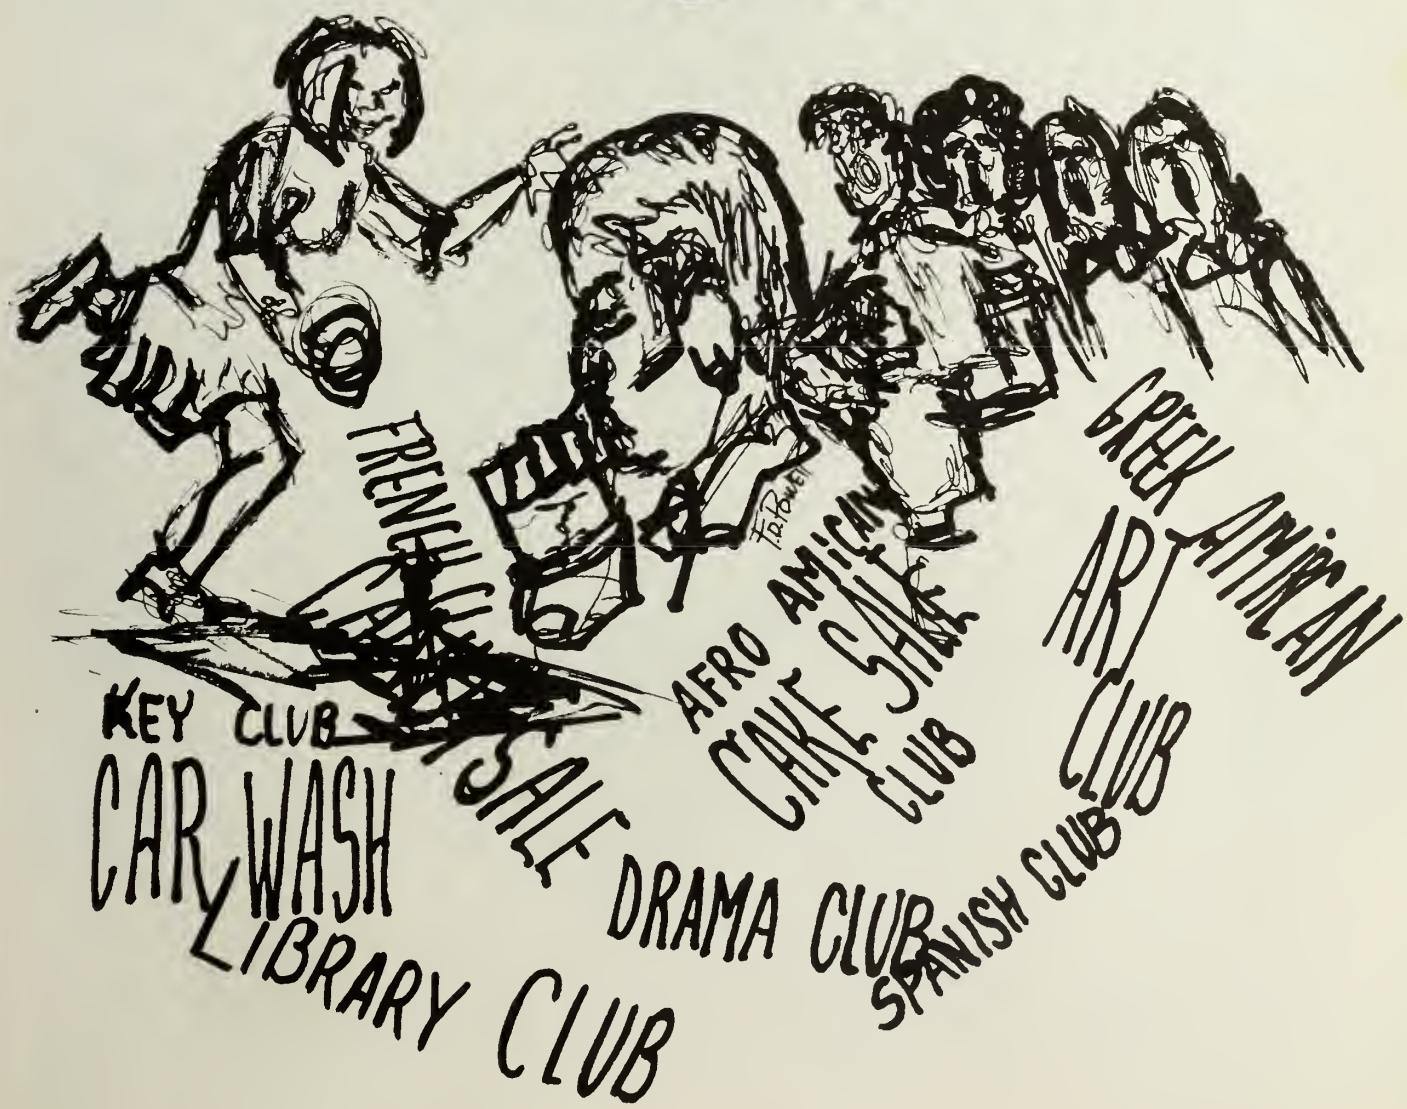

# Activities in RHS

#### YEARBOOK EDITORS

Mary E. Hamrock, *Advisor*; Susan Foynes, Carole Lieber, Joanne Newmark, Mary Jane Platek, *Editors*; Russell Teebagy, *Photographer*. To put a yearbook together with only 112 pages while trying to satisfy all the seniors and while trying to make our yearbook unique was our motive. Decisions had to be made concerning cover fabric and design, page layouts, pictorial records of activities, individual classmates, and faculty. We feel that our countless hours of toil and aggravation have made our yearbook a success. We hope that you feel the same way.

#### YEARBOOK AUXILIARY STAFF

This staff has devoted many hours both in and out of school doing various tasks from checking off glossies to typing for the yearbook. Without their much-appreciated help, we editors may not have met our deadline. A special thanks to Frank Powell for his superb artwork, and to Mary Bostic for her composition entitled "Over the Years."

#### HUMOR STAFF

Dennis Houle, *Advisor*; Susan Fink, *Chairwoman*; Michael DeSario, *Assistant Chairman*. The major purpose of the Humor Staff is to write humor for the yearbook. This dedicated group of students meets during assembly periods, studies and after school to write captions for pictures. The Humor Staff also conducts the superlative elections and writes the class will and prophecy. Many thanks to all for their fine work.

#### TRANSCRIPT STAFF

Paul O'Brien, *Advisor*; Diane Flint, Frances Papadopoulos, *Co-editors*. The purpose of this group is to provide coverage of school activities for residents in the Roslindale-West Roxbury area. They submit a weekly column of information concerning students, clubs, sports, and other functions taking place at Roslindale High. Anyone who has ever been "Boy or Girl of the Week" really appreciates the outstanding work that these talented writers have prepared.

# National Honor Society

Jane Cass, *Advisor*; Terry Dager, *President*; Cathy Smith, *Vice President*; Mary DeBenedictis, *Secretary*; Mary Yee, *Treasurer*. The purpose of the Roslyn Chapter of the N.H.S. is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in all students of Roslindale High School. Its programs include a scholarship drive, school-wide tutorial program, service to community groups, and in school services in such areas as Home and School functions, school assemblies, and office work.

#### SENIOR ADVISORY COUNCIL

Dennis Houle, *Advisor*; Frank Scarpaci, *President*; Anna Benenato, *Vice President*; Gale Attaya, *Secretary*; Nadija Kawczak, *Treasurer*. S.A.C. is an elected representative body of the Senior Class which organizes all Senior Class functions, including the Prom, Semi-formal, Winter Carnival, Powder-Puff Football Game, car washes, and candy sales. This organization also elects the Humor Staff, plans the class trip, collects class dues, and makes many decisions concerning the Senior Class.

#### STUDENT COUNCIL

Alfred Lennon, *Advisor*; Joanne Newmark, *President*; Diane Flint, *Vice President*; Jane Dowling, *Secretary*; John Timmons, *Treasurer*. The Student Council is a group of students representing all homerooms. Their main purpose is to bring the faculty and students closer together. Some achievements include fund-raising campaigns for scholarships and the Trophy Fund.

#### JUNIOR RING COMMITTEE

Dennis Houle, *Advisor*. The ring committee was formed last year from the junior members of the Student Council. The purpose of this group was to design the rings for the Class of '73.

#### THE LIBRARY CLUB

Marie R. Kennedy, *Advisor*; Do-reen Waishek, *President*; Joanne Moses, *Vice President*; Fran Pa-padopoulos, *Secretary*; Charles Kanelos, *Treasurer*. Members of the Club help to run the library. Each member of the club works at least one period a week in the library. The members also en-gage in fund-raising activities to provide furnishings and equip-ment for the Library. The club holds monthly meetings with speakers on literary or current topics of interest.

#### IT'S ACADEMIC

Mary A. Connolly, *Advisor*; Constantinos Cronis, Justin McSweeney, Maureen O'Connor, *Team*. The *It's Academic* team represented our school in the spring on the television show *It's Academic*. These three people competed against other schools answering ques-tions about Math, Science, His-tory, English, and general knowledge.

#### BENGAL STAFF

Paul A. O'Brien, *Advisor*; El-lie Ferzocco and Cathy Flem-ing, *Co-editors*. Roslindale High's school newspaper has been in publication in its present form since 1968-69. All articles are the work of the students. The staff mem-bers are primarily responsible for all articles, but any stu-dent in the school who wishes to submit an article may do so. Membership is open to all members of the school.

### MR. WALL'S ASSISTANTS

The lovelies who assist with the administrative work in Mr. Wall's office render a valuable service. They contribute to a smooth operation by keeping records, filing, doing errands, and other certain secretarial tasks. They are, indeed, pulchritudinous factota who diminish the aggravation by improving the surroundings. Willing and efficient, they help wade through piles of work with a minimum of error and confusion. Their services are greatly appreciated.

### DATA PROCESSING STAFF

Joseph Richer and John Conley, *Advisors*. This staff is trained to assist the organizational staff in enrollment and placement, and in the continuous maintenance of Data Processing information concerning the records of every student within R.H.S. Without their assistance this work could not be done. Our many thanks to these girls.

### OFFICE ASSISTANTS

These girls are chosen on the basis of recommendations by teachers according to their attendance, scholarship, and neat appearance. They are in a position to create an immediate good impression of R.H.S. on office visitors. Duties include answering the telephone, distributing mail, operating the intercom, and aiding the Head Master and secretaries in clerical duties.

#### AUDIO-VISUAL STAFF

The purpose of this staff is to supply the faculty with audio-visual equipment when needed, and to instruct teachers and students on the operation of various machines.

#### DOOR ATTENDANTS

These young men are a select group chosen for their outstanding good looks and Maccabean dedication to duty. By their imposing, impressive presence they promote the school's excellent image and encourage the greater improvement of it. Like Scylla & Charybdis, they are sea sentinels with a strong protective instinct. They allow through our portals only those in pursuit of knowledge—knowledge given with alacrity by a competent, unselfish staff. Visitors to our institution, or others who wish to advance our purpose, are greeted courteously, and none is allowed to proceed unless his or her mission is compatible with our mission.

#### FLEXIBLE CAMPUS OFFICE ASSISTANTS

The "Go-Fors" are assigned a number of jobs: typing, filing, delivering messages, making phone calls, and so forth. The assistants run the Flexible Campus Office as efficiently as possible, keeping in mind that "everything is flexible."

### CHESS CLUB

Ronald B. Brown, *Advisor*. Learning chess is an excellent way to stimulate the intellect through quiet but vigorous concentration and logical management of the chess pieces. This club's great aim is to acquire the status which Bobby Fischer has achieved.

### A CAPELLA CHOIR

A Capella is a group of students which meets every school day to sing, express, and appreciate the many choral styles of the Western world from the fourteenth century to the present day. This year's choir sang many performances including Christmas concerts at Boston City Hall, and Saks Fifth Avenue, the Superintendent's office, and several hospitals. A selected few were invited to sing during one of the sessions of the Eastern Music Educators Conference in January.

### ART CLUB

Sam Midman, *Advisor*; Robert Walsh, *President*; Linda Miller, *Vice President*; Joanne Foley, *Secretary*; Denise Rosenfield, *Treasurer*. During the year this group has visited the Art Museum, attended lectures in Art Careers, done projects for the Children's Hospital, and exhibitions for RHS corridors.

#### SPANISH CLUB

Linda Nanos, *Advisor*; Gale Lindsay, *President*; Victoria Lillios, *Vice President*; Karen Murray, *Secretary*; Anne Lewis, *Treasurer*. The purpose of this club is to foster an interest in Spanish culture, and to give the students an opportunity to open their minds to another culture.

#### ITALIAN CLUB

Benedetto Salvucci, *Advisor*; Ann Di Giulio, *President*; Edward Barresi, *Vice President*; Nancy Marrinucci, *Secretary*; Mary Santoro, *Treasurer*. The main purpose of this organization is to promote an interest in Italian culture and heritage. The club's activities include seeing Italian movies and visiting restaurants.

#### FRENCH CLUB

Margaret Kane, *Advisor*; Carole Lieber, *President*; Mary Jane Platek, *Vice President*; Susan Foynes, *Secretary*; Carol McKernan, *Treasurer*; Ann Marie Conroy, *Program Chairwoman*. Nous amuser en français, voilà notre but!!! In a happy and relaxed milieu, the French Club aims to become better acquainted with the French culture.

#### AFRO-AMERICAN CLUB

John Thomas, *Advisor*; Yvonne Thimas, *President*; Shelly Calendar, *Vice President*; Lynette Ellis, *Secretary*; Michelle Palmer, *Treasurer*. The R.H.S. Afro-American Club is a group of students interested in the historical and cultural presence of the Black man. We plan to pursue these aims through field trips, social activities, and study.

#### GREEK-AMERICAN CLUB

Patricia Musto, *Advisor*; Artemis Papadopoulos, *President*; Tim Papadopoulos, *Vice President*; Valerie Lithotomus, *Secretary*; Patricia Champani, *Treasurer*; George Copses, *Assistant Treasurer*. The Greek-American Club was established in order to preserve the heritage of the Greek students while they are becoming integrated in the American way of life, and to acquaint American-born Greek students with Hellenic customs. Frequent get-togethers which everyone enjoys, and its annual show of Greek customs have made this club more active than ever.

#### LATIN CLUB

Ethel Menitoff, *Advisor*; Zoe Papadimitriou, *President*; Patricia Farren, *Vice President*; Eileen Koschen, *Secretary*; Gina Johnson, *Treasurer*. The purpose of the Latin Club is to encourage among young people an interest in and appreciation of the civilization, language, literature and art of ancient Greece and Rome. It provides an opportunity for students to participate in extra-curricular activities and to promote the classical cause. Among the plans will be visits to the Boston Museum of Fine Arts, and the Isabella Gardner Museum. In school we shall enact playlets in English with Latin themes, use other related activities, and show slides on Rome, and other points of interest.

#### WORLD AFFAIRS CLUB

Mary A. Connolly, *Advisor*; Mary Bostic, *President*; Patricia Paszak, *Vice President*; Holly Geller, *Secretary*; Doreen Waishek, *Treasurer*. The purpose of the club is to learn more about both foreign and domestic affairs. The club has taken a trip to the United Nations Building in New York, and plans to sponsor a Roslindale student at the Presidential Classroom in Washington.

#### KEYETTES

Ann O'Brien, *Advisor*; Denise Nikas, *President*; Frances Papadopoulos, *Vice President*; Anne Lewis, *Secretary*; Julie O'Connor, *Treasurer*. This organization offers its services within the school as well as in the surrounding community. Money raised by the club is put toward scholarship funds.

#### KEY CLUB

Anthony J. Milano, *Advisor*; Kenny Gunther, *President*; William Ferguson, *Vice President*; Michael Galvin, *Secretary*; Edward Kiernan, *Treasurer*. The Key Club is primarily concerned with community projects such as charitable drives, building a closer relationship between the school and the community, and youth projects to build character, leadership, and service. Also, we provide a service of hot chocolate and donuts to the high school students each morning during the winter months.

#### MATH CLUB

John Maloney, *Advisor*; Trudy Blais, *President*; Carl Kosky, *Vice President*; Carole Lieber, *Secretary*; Carol McKernan, *Treasurer*. The major part of this club is made up of Mr. Maloney's second period advanced trigonanalysis class. These students use their extensive knowledge of math in games and logic. The club has taken field trips to places such as the M.I.T. Computer Center.

#### MATH TEAM

John Maloney, *Advisor*; Trudy Blais, *President*. The math team competes four times a year in the Eastern Division of the Greater Boston Math League. Its purpose is to stimulate interest in mathematics through competition.

#### PHOTOGRAPHY CLUB

Irene Garrity, *Advisor*; The members of this club receive an introduction to photography. These amateurs take their own pictures and bring them into school. They then develop and enlarge them in the Chemistry Lab. Special projects are assigned to develop imagination and creativity.

#### BOY'S BOWLING TEAM

Leo Sybertz, *Advisor*; Dean DeCoursey, *President*; Walter Cuff, *Vice President*; Fred Gillespie, *Secretary*; Haralampos Athanasiadis, *Treasurer*. Bowling provides exercise and competition during the winter months. Manager Don Pellegrini and Advisor Leo Sybertz report that Dean's 109 average and Walter's 108.5 lead all of the Roslindale bowlers in the 1972-73 season.

#### GOLF CLUB

Edward Carlevale, *Advisor*. The Golf Club meets three times a week at the George Wright Golf Course. Their golfing average is in the mid 80's. Rossie's future Arnold Palmers include Richard Vaughn, Paul Leonard, Dennis Martin, and George Munchbach. Great emphasis is put on the basic fundamentals of proper form, balance, and the act of putting. This group competes against other district school teams, and has shown an excellent performance.

#### SWIMMING CLUB

Leo Sybertz, *Advisor*; Alan Chucalate, *President*. This dedicated group meets every Monday and Thursday after school to practice swimming. Under excellent instruction of Leo Sybertz, the members of the swimming club have improved their swimming skills tremendously. We wouldn't be surprised if the next Mark Spitz is among this group!

#### STUDENT READERS

Sandra Baer, *Advisor*. During study periods this group assists the visually handicapped in the Vision Resource Room. Their duties include reading to students and aiding in the preparation of tape-recorded and large print materials.

#### RIDING CLUB

Jerrold Patz and Linda Zammarchi, *Advisors*; Gale Lindsay, *President*; Richard Vaughn, *Vice President*; Robert Vartanian, *Secretary*; Karen Douvris, *Treasurer*. This year the Riding Club at R.H.S. has been resurrected. Its avowed aims are to instill a piece of the equestrian into each of its members. Persuant to this, expeditions to the hinterland have been organized. The Club's equerry has reported great success in the above mentioned program. The Club has frequented some of the neighboring purveyors of this sport. The penultimate attraction of the Club has been its ephemeral translocation of its members from the insulubrious city to the quiescent country backroads.

#### GUIDANCE STAFF

Liason between the Guidance Department and home room students, is the purpose of this group. They are responsible for reading the weekly Guidance News and for posting it in the homeroom. The staff also assists the Guidance Department in other activities throughout the year.

# Elections

Junior class elections were the high point of our second year at Rossie. For a few weeks the entire school came alive with campaigning and poster hanging in the corridors. The climax came with the candidates' assembly and finally the actual voting to select class officers for our senior year.

# Car Wash

The Senior Class sponsored many car washes during the summer and fall of '72 to raise money for the Senior Class Fund. A lot of cars were washed, and so were many kids. After a lot of work and fun, we were well on our way to a successful year.

## Flexible Campus

### FLEXIBLE CAMPUS

Flexible Campus Program is a descriptive name given to the on and off campus programs started this past September. Under the flexible program, students are able to use the educational, medical, business, governmental and social sources in the community during school time. This year, students served as tutors in local Elementary and Junior High Schools, attended Health Career classes at the Occupational Resource Center, took college courses at Suffolk University, taught swimming at the West Roxbury Y.M.C.A., and interned at the Little City Hall in West Roxbury. Mini-courses and last period study periods were some of the on-campus selections. Besides providing worth-while "on hand" experience in career areas, the program created a feeling of responsibility and maturity among students.

# Over the Years

When we came to R.H.S., we were on our own. Unlike the sheltered life of Junior High, we were at last given some responsibility. The proper dress code was abolished, which left us to use our own judgement. About this time, the surrounding schools conducted what is fondly remembered as the "BOSTON STUDENT STRIKE." Even though Rossie didn't actively participate, we were all secretly hoping that some changes would be made. Well, we finally got our wish granted when a three man crew, armed with brushes and rollers, came, and R.H.S. was painted.

Our efforts to bring about changes that year were hampered when German Measles swept the school. Yes, for at least a month during that year, each new day found a line of spotted victims awaiting their turn to visit the nurse. Who said the German Measles is only for little kids??

Well, you know that Rossie always recovers, and as far as sports are concerned, the football team finished second in the District. Our athletes were honored at the first annual Sports Night where the guests were addressed by Bruins star, Rick Smith.

1970 was the year Ted Kennedy came to Rossie and spoke to us about our rights. A real, live government official . . . we are almost adults!!!

The year ended on a slightly sad note when our Head Master, William Cunningham, retired. By the end of the school year, we were all wondering who would take his place. A woman?? No!! Yes!!

When September of '71 rolled around, we were more than anxious to see, not only our old friends, but also our new principal. We were at first a little leery, but after speaking with Miss Moran and getting to know her ideas on how a high school should be run, we knew that we were pretty lucky. If they said to us "A woman principal?", the reply was always "You bet!!" . . .

With our new principal, Roslindale High got a few new things. Some of our concerned teachers began mini-courses. A few juniors were allowed to leave early one

day a week to teach in neighboring elementary schools.

Overall, sports were something to be really proud of. Our hockey team was undefeated and this would be the third year that the track team was number ONE !!! In football, 1971 was the year of the first annual Thanksgiving Day Game. Well, we're still trying . . .

When June rolled around, we were anxious for our summer vacation. Next September we'd finally be seniors !!!

In the fall of 1972, we returned to school with high hopes of making this a very special and memorable year. We were seniors at last. Most of us, because of over-crowding, now had our first class at 7:48 A.M. Almost every senior found himself in a Flexible Campus Program, and either left R.H.S. to go to work or took extra courses at a local college.

As our senior year went on, we were saddened by tragedy. Two different auto accidents resulted in loss of three R.H.S. students. Again, we, the seniors, banded together to form the Trophy Fund, which would honor the most outstanding sportsman at Rossie by presenting him with an award in memory of his deceased classmates.

With winter coming, seniors were busy making plans for their WINTER CARNIVAL. Even though the London Flu found each of us at one time or another, we did our best and the CARNIVAL was an overwhelming success.

By the end of February, we were all touched by a slight case of "Senioritis." Each day would bring another letter of acceptance and the excitement of telling everyone, especially those who told us that our College Board scores were so bad that we wouldn't even be accepted in Romper Room, was tremendous. Well, we showed them . . .

Now comes the time to start fitting for Caps and Gowns. All of us are looking forward to June, when we walk across the stage, receive our diplomas, trip, and return to our seats . . .

THE CLASS OF 1973 FINALLY GRADUATES . . .

Dave DeCoursey, named the most outstanding player in the Thanksgiving Day Game, was honored with the Tony Papadimitriou Award.

Long will the students of Roslindale High remember Mark Bolanes and Tony Papadimitriou. Both Mark and Tony were fine football players as well as fine young men.

## Soccer

Rossie's Soccer Team, led by Coach Robert Kupka and Captain Charles Hamos, placed second in the District this year, just missing the City Championship by two points. Nevertheless our "Golden Greeks", (not to mention our Armenian goalie), displayed a fantastic amount of spirit and enthusiasm at all times.

# Track

The purpose of both the cross country and indoor track teams is to develop sound body, competitiveness, sportsmanship, character, and a desire to achieve. Particular emphasis is placed on body and character development, not on winning.

# Basketball

# Baseball

The arrival of Spring brings the farewell of sports activities to R.H.S. Seniors. This year Coach Mike Donato along with Captain Mike Pomerole will hopefully guide the team through a victorious season.

#### GIRLS' BADMINTON

To open the Fall sports season, Badminton is offered. Students select their own partners for the weekly double matches. These matches are in preparation for the City Tournament held at Girls' Latin School. Roslindale High School was represented by Laurette Carter and Deborah Spence. Our second doubles team was Jean Wong and Fran Doocey. The girls are also trained in scoring and officiating their own matches. Our team did very well, placing second to Girls' Latin School and soundly defeating all competition. In doing so, we set a new tournament record for high scoring ... over 100 points for the tournament. In the spring, we will enter the state championships held at Brockton High School.

#### GIRLS' BASKETBALL

After a brief but diligent practice schedule, the girls opened their basketball season on their return from the Christmas Holidays. Defeated in a close game, our girls came back strong, finishing a successful season. The blending of our many levels of talent gives us a variety of strengths and diversified skills. Each girl is putting forth her effort and always with the ideals of sportsmanship. The junior varsity is our valuable training ground for the developing of team work and confidence. Basic skills are drilled on in practice. Our teams have additional direction from our co-captains, Laurette Carter and Deborah Spence.

#### GIRLS' TRACK

A new addition to our Girls' Sports program is Fall and Spring Track and Field. Track meets are held in the fall and spring at White Stadium. The Track program has been expanded to include a variety of Field Events and Cross-Country. Our girls did very well in these new areas of competition. It is hoped that in the future each school will have their own teams competing on a weekly schedule. Look out, Olympians!!!

# Cheerleaders

Co-captains: Gale Attaya, Cathy Smith

## CHEERLEADERS

The Roslindale Cheerleaders are an exceptional group of girls, whose dedication and practice are well known. In the spring, many girls tryout for the prestigious positions on our squad. With practice held all summer long, the squad is ready for the opening football season. They cheer with such spirit and gusto that all their cheers, chants and songs echo throughout the stadium. Their glow of enthusiasm brightens the play on the field. A recent addition to our squad is our TIGER, who's great. After the close of the football season, our squad moves in-doors to prepare for state-wide competition. Sandwiched into their busy schedule is a very special assignment ... coaching the girls at the Horace Mann, a true learning experience for all the girls involved. They perform for the last time as a squad in *Highlights* in May. A Rosalie Cheerleader is somethin' special.
